

## Waterwheel Class Supply List

**There is a little bit of pre-cutting of fabrics that must happen before class. Also please have your papers cut too; this will help to make sure that our class time is as productive as possible.** Please begin preparing for class several weeks in advance to make sure that you are familiar with your pattern and can complete the pre-cutting before arriving.

Fabric Selection: Please refer to the yardage on the back of this class supply sheet for the required fabric amounts.

Preparing your Foundation Papers: Please read and follow the instructions for “General Information For Foundation Papers and Templates and Template Layout Sheets” at the bottom of page two.

Note: PLEASE PAY SPECIAL ATTENTION THAT YOU DO NOT CONFUSE FOUNDATION PAPERS WITH TEMPLATE LAYOUT SHEETS.

- **Foundation Papers:** These are the foundations that you will sew the fabric directly onto. These need to be trimmed leaving a 1/8' border. Do Not cut the individual units apart.
- **Template Layout Sheets:** The template layout sheets are used to cut your fabric. You will cut through these templates when you cut certain parts of your fabric. These need to be trimmed leaving a 1/16" border and used per the directions in the pattern.

The following items will be used in class:

- Sewing Machine with a Quarter-inch foot
- Medium Size Cutting Mat
- Rotary Cutter
- Size 70 Needles
- Approximately 3"x12" piece of template plastic (used for folding, can be cut from a full sized sheet)
- Scissors
- Seam Ripper
- 12" Add-a-Quarter Ruler
- Fabric Glue Pen – (Fons & Porter Sewline Glue Stick will work well)
- Washable Glue Stick (UHU is the brand I use, but any washable glue will work like Elmer's)
- Purple Thang (Optional)
- Ruler
- High Quality Cotton Sewing Thread
- Pattern
- Flower Pins
- Binder Clips (These are the office supply binder clips that you can purchase at Wal-Mart)
- Ziploc Bags

## Fabric Requirements for Waterwheel

**Please Note:** In this quilt there are three rounds, and each round needs two different fabrics. There should be lots of contrast between the two fabrics that you pick for each round. The first round is the very center of the quilt, the four blocks that make the circle of geese. The second round is the middle round, the squares that border the center circle of geese, and then you finally have the outside round the last round. The outside round has two different blocks including the circling geese in all four corners and the blocks with the diagonal lines.
